Hi Catherine,

Happy Holidays to you and yours - I bet you're looking forward to spending time with your sister and her children!

I wanted to see if the Councilman would help see that this family gets sorted out <https://www.gofundme.com/s5e9ceg>I understand they are North Hollywood residents and I have given the page a link to the State's Victim Compensation Fund <http://vcgcb.ca.gov/victims/howtoapply.aspx>.

This shooting happened December 9th in Burbank and I heard today about their 12 year-old son going to school asking for donations for the gas bill. I am not sure why they have no resources yet and maybe they need help through the system.

We took up a collection of clothes and gifts for the children for Christmas, but wanted to go further to assist them with aid beyond that.

Thank you for anything you can do in terms of reaching out to some contacts to help them as he is in a wheel chair, getting surgery at some point.

If it is okay, can I give your contact information to the people who are seeing the family tomorrow 11AM? Maybe they can fill out the paperwork and gather the bills and submit it to you for direct transmission to the Fund. It might garner more attention and expedite. Whatever you think is best.

I think they are in shock and only asked for some school supplies and clothes for the children - I know they have greater needs and I really don't want to see them fall through the cracks!

Have a happy one!

Best wishes for a wonderful holiday...

Naima

Hi Naima -

Happy holidays to you! I am actually out of the office today and driving to NorCal at the moment. I've cc'd two of our Neighborhood Advocates - Daniel Park who is in the office today, or Adam Miller who will be in the office next week. Fyi, most of North Hollywood is in CD2, but we will see how we can help them navigate the system!

Thank you,

Catherine Landers

Fyi - Naima is a HUNC Board member (she's brand new, just elected last meeting). I don't know if the people are in CD2 or CD4 - but I imagine the City attorney/Neighborhood Prosecutors would be able to help with the victims compensation fund. Who is the Jackie Lawson equivalent for the Valley (or for NoHo)?

Thanks guys!
